Emergency Shelters

YWCA: Prince Albert

Stepping Stones Shelter is a seasonal, overnight, first-come-first-served shelter for individuals living on the street during the frigid winter months. Individuals staying here can access showers, laundry services, meals, and referrals to other programs. This shelter aims to reduce the risk of exposure for individuals dealing with homelessness in Prince Albert.

Phone Number: (306) 930-7723

Email: nicolemarud@ywcaprincealbert.ca

Location: 950 Exhibition Drive, Prince Albert

Hours: 8pm - 8am, 7 days a week during winter months

YWCA - Regina

Kids in Transition Shelter (KITS): provides short-term housing for up to 10 children while the work is being done to determine the best placement for them by the Ministry of Social Services.

Evergreen: a long-term therapeutic home for children aged 0-8 with complex needs, in need of special placement while in the care of the Ministry of Social Services. Children stay here for a longer period of time, and are given the support and tools to address their health, behavioral and developmental needs to help them with their next move into a family environment.

Parker Place: a long-term therapeutic home for children aged 0-12 with complex needs, in need of special placement while in the care of the Ministry of Social Services. Like Evergreen, children stay at Parker Place for a longer period of time, and are given the support and tools to address their health, behavioral and developmental needs to help them with their next move into a family environment.

sîpîhko-mihkinâhk asiniy wâskahikan: provides long-term therapeutic placement for children aged 0-12 with complex needs, in need of special placement while in the care of the Ministry of Social Services. Like Evergreen and Parker Place, children may stay for longer periods of time here, but may stay for shorter periods as well. All the children staying at sîpîhko-mihkinâhk asiniy wâskahikan are provided with a nurturing and culturally supportive home environment where they are given all the tools and support to address their health, behavioral and developmental needs to help them with their next move into a family environment.

Post-Abortion Support

Regina Options Pregnancy Centre: Regina

Post-Abortive Trauma: Is it Real?

What are the impacts of abortion on women? If you're seeking information on this topic for yourself personally or for someone you know, come to this free public workshop. Available dates for this workshop are on the "Events" page or call for more information.

Surrendering the Secret

Surrendering the Secret is a free and confidential program that helps you move towards healing and freedom. If you or anyone you know has experienced any negative impact following an abortion, this program may be for you.

Peer Counselling

The counsellors at Options have gone through the challenge of an unplanned pregnancy and some of them an abortion experience. They are available to meet with you one-on-one and provide information and support.
